Maureen

Trust you are well.

I learnt last night from Christopher Tod that there is a meeting this evening at 7 in the Village Hall to consider aspects of the Plan which will include possible sites for development

As I have a site that I would like to put forward I will attend.

The site sits between 2 existing dwellings ...The Coach House and Park Cottages, Crockerhill.
It is known as Brambles and currently has 2 outbuildings on it, previously it also had a large chicken house, which collapsed some years ago. The land is not presently used for any purpose.
I will bring a site map with me

Hope that helps and see you this evening
